## Aberdeen International Youth Festival Consultation Day 13<sup>th</sup> May 2008

11<sup>th</sup> September 2008

To whom it may concern,

I am writing to confirm that Martin Gilbraith as part of ICA:UK successfully facilitated the Aberdeen International Youth Festival Consultation Day on 13<sup>th</sup> May 2008. The process included a pre event visit to Aberdeen where meetings with key stakeholders were held and site visits undertaken. Martin and I exchanged a number of phone calls and emails in preparation for the event.

The day itself required the very careful facilitation of a very disparate group of people who all had a stake in the organization and clearly saw its development from different angles. Martin and his colleague handled the day very well, drawing a good deal of positive discussion and ideas to assist developing further areas of discussion and supporting the way forward in the future.

I found him very easy and thorough to deal with and created a good environment for the day.

Yours faithfully
