Re: Martin Gilbraith

With regard to the above. I am writing to confirm that Martin facilitated for Manchester PCT Interpretation Service Away Day on January 16th 2008.

I was extremely impressed with Martins input, and his approach to planning and delivering the event. The away day was a huge success , which generated very positive feedback from my staff.

I would have no hesitation in employing Martins services in the future, and recommend him for certification as a facilitator with the International Association of Facilitators' Certified Professional Facilitator programme.

Yours faithfully
