

Please include here additional comments you may have about the provider:

Martin facilitated a 2 day event attended by approximately 60 people. He met with us beforehand to discuss our requirements, suggest facilitation techniques and agree an agenda. He then acted as the sole facilitator for the event itself. I was impressed with Martin's work and his knowledge of the area. He was able to suggest a range of techniques and styles which ensured that the event was varied and productive. I would recommend him to others.
